DRAWER MASTER

DRAWER BOX
ASSEMBLY CLAMP

IDEAL FOR CUSTOM
AND VOLUME
PRODUCTION RUNS

PERFORMANCE ORIENTED
MANUFACTURING SOLUTIONS
AND AUTOMATION TECHNOLOGY

THE DWM DRAWER MASTER OFFERS THE RUGGED CONSTRUCTIONS AND EASE OF SET-UP OF HIGH PRODUCTION MACHINES AT A FRACTION OF THE PRICE.

The opening and closing of the clamp for different drawer widths is done by releasing a simple latch. With its ergonomic workstation suitable, the DWM assembles all type of joints.

Its two-hands control keeps the operator's fingers away from the danger zone during the compression cycle.
