SDM - COPE AND STICK DOOR CLAMP

Door Master Model SDM is a Door Clamp for Cope and Stick Doors (90°). The SDM is suitable for the assembly of drawer fronts as well as of a large pantry doors.

CHARACTERISTICS & OPERATION

Door Master for Cope and Stick Doors (90°) is available in three models: SDM, SDM2 and SDM+.

- The SDM model is suitable for assembly of large pantry doors up to 30" x 72" down to drawer fronts 5 ½" x 12 ½". Standard model has three clamps.
- The SDM2 model is suitable for double door assembly up to 30" x 48" down to drawer fronts 5 ½" x 12 ½". Standard model has five clamps.
- The SDM+ model features one additional vertical clamp for doors with central style. Standard model has four clamps.

Built on an Industrial Strength welded tubular frame, the Door Master SDM, SDM2 and SDM+ feature "no compromise" pneumatics - brand name air valves and real double action air cylinders. Its pedestal allows choosing a convenient working height for your operator. Maintenance-Free Unit No joint pinning needed
